Work Experience

Co-Founder and DevOps at Silk Nodes Validators

May, 2022 - Present

As a co-founder of Silk Nodes validators, I played a key role in the development and management of highly robust bare metal infrastructure within the blockchain space. In this capacity, I implemented and maintained multiple monitoring and alerting software systems, ensuring that redundancy and failover measures were consistently in place. Through my efforts, Silk Nodes validators was able to establish a reputation for excellence in operational reliability and performance.

Founder and Developer at Hodl Bot Services Limited

April, 2020 - Present

As the sole full-time member of the team, I created Hodl., a Discord bot using Node.js as a project to enhance my coding and development skills. The bot quickly gained traction and attracted a massive user base of 6.4 million. In my capacity as the project lead, I oversaw all aspects of its development, including planning, database management, marketing, maintenance, and customer service. My commitment to ensuring that Hodl. consistently delivered high-quality service helped establish it as a trusted and valued tool within the cryptocurrency community.

Co-Founder and COO at Vabble

Dec, 2020 - Jan, 2022

As a co-founder and COO of Vabble, I oversaw the day-to-day operations of the company and played a key role in driving growth, improving efficiency, and enhancing the customer experience. I worked closely with the CTO and other stakeholders to define and execute the company's strategic vision, building a talented and high-performing team and fostering a culture of innovation, collaboration, and accountability. Through my leadership, Vabble was well-positioned for long-term success and growth in a rapidly evolving marketplace.

Education

Leaving Certificate Applied from Ashbourne Youthreach

2002 - 2005

I was honored with the highest achiever award in the county of Meath for my outstanding academic performance on the Leaving Certificate Applied, earning an 88% distinction. This accomplishment reflects my dedication to achieving excellence and my ability to consistently meet and exceed high standards of academic achievement.
